

Crochet Cross

Crochet Cross

The Crochet Cross Stitch is a versatile and decorative technique that adds diagonal texture and visual interest to your crochet projects. Once mastered, it can elevate simple designs into textured, professional-looking pieces.

Crochet Cross Stitch Step-by-Step Guide

The Crochet Cross Stitch is a decorative stitch that creates a diagonal "X" pattern on your fabric. It is made by working two stitches crossed over each other, usually single crochet or double crochet, to form a textured design.

This stitch is great for blankets, scarves, and decorative accents, adding a dynamic, eye-catching texture.

What Is a Crochet Cross Stitch?

The cross stitch combines two stitches worked diagonally.

It creates a small "X" on the surface of your work.

Can be done with single crochet (SC) or double crochet (DC), depending on the desired height and texture.

Find inspiration in our [decorative crochet stitch library](#) filled with modern textured stitch ideas

Abbreviation

Crochet Stitch Method

1. Insert hook into stitch two ahead (skip one). Yarn over, pull up loop.
2. Insert into the skipped stitch, yarn over, pull up loop.
3. Yarn over and pull through both loops — forms an X.

Step by Step

Step-by-Step Instructions (US Terms, Single Crochet Cross)

1. Insert hook into the stitch two stitches ahead.
2. Yarn over (yo) and pull up a loop, one loop on hook.
3. Insert hook into the next stitch (the skipped stitch), yarn over, and pull up a loop now two loops on hook.
4. Yarn over and pull through both loops.

One crochet cross stitch is complete.

Repeat across the row as instructed.

Common Mistakes to Avoid

- Forgetting to skip the correct number of stitches, always count carefully.
- Pulling loops too tight, which can distort the X shape.
- Misaligning crosses, keep consistent spacing for even texture.

Best Uses for Crochet Cross Stitch

- Textured blankets and throws
- Decorative scarves and shawls
- Accent panels in garments
- Bags, pouches, or home décor

Tips for Perfect Cross Stitches

- Use stitch markers to mark the start and end of crossed sections if needed.
- Keep tension even for clean, uniform X shapes.
- Experiment with different yarn weights and hook sizes to see how the crosses change in size and texture.
- Combine with other stitches (like shells or post stitches) for more complex patterns.

Crochet Stitch Practice Example

Practice Row Example

Chain 12.

Row 1 — SC in second chain from hook and across (11 SC). Turn.

Row 2 — Chain 1, SC in 3rd stitch ahead, SC in skipped stitch, repeat across. Turn.

Row 3 — Continue the pattern, crossing stitches over each other to form X's.

About Stouto Creative Crochet

Stouto Creative Crochet is created and run by an independent crochet designer who shares **original crochet patterns**, **stitch tutorials**, and **crochet blanket projects** for makers around the world. If you enjoyed this crochet guide, one of the best ways to support my work is by purchasing one of my premium crochet patterns. Your support helps me continue designing new projects and sharing tutorials with the crochet community.

Stay inspired, creative, and connected with the **Stouto Creative Crochet** community. Whether you're here for relaxing blanket patterns, unique stitch ideas, or exclusive subscriber perks — you're in the right place.

Join the Stouto Crochet Mailing List

- Free crochet patterns delivered to your inbox
- Early access to new pattern releases
- Exclusive discounts on printable PDF patterns
- Tips, tutorials, and crochet inspiration
- Subscriber-only giveaways and seasonal surprises
